We were blessed to have a room full of women from teenagers to senior citizens. Jennifer's sharing of portions of her life story to illustrate God's love was very impactful for all. The variety in the selection of songs kept the performance engaging and the high quality videos added an interesting visual element to the beauty of Jennifer's voice. Even our workers in the AV booth commented about how pleasant it was to work with a professional who know how to use the equipment so well. From the initial contact when Jennifer made a personal call in response to my email inquiry to hugs and goodbyes after the performance, everything went smoothly and well. To quote my co-coordinator, "I would not have

changed a thing!" We look forward to having her back!

– **Gail Satterthwaite, Women's Ministry Director, Unity Presbyterian Church, Denver, NC**
